The wonderful cast & Mums & Dad's for their support

A word from the director, Margaret Todd

Protea was started over forty six years ago by Mary and Andy Weir, thirty eight of which I have been a proud member. Over the years we have stimulated in our very young children a love and interest in live theatre. They have learnt the discipline and hard work and enjoyed the wonderful pleasures of a "job well done" Many of our young actors have become successful in the world of professional theatre. Our ages vary from six to eighty one (me)!!! Thank you to all the cast and crew, Mums, Dads, and grandparents for all their support.

Well done to a great hard working cast. I will never forget you and to you, our audience, without you, it would not be possible.

Love and gratitude. Margaret.

This show is dedicated to the memory of Gillian Cann
